

Fallbrook FFA Harvesting and Cut/Wrap information

The Agriculture department is helping coordinate the disposition of livestock. Below is information for your use in this process. The below expenses would be what will be in addition to the sale of your livestock enterprise. Be sure that when you are providing information to potential buyers the below are the approximate expenses that are associated after the buyer purchases the livestock.

If you have further questions please contact any of the FFA Advisors.

Harvesting fees and information

Don Reed 760-240-2704

The Agriculture department will be coordinating dates with students. Payment will need to be collected and delivered before the harvest begins in addition to buyer name and contact information address and phone number. Below are the prices per head for harvest.

Goat/Lamb - \$100

Hog - \$110

Beef - \$210

Cutting/Wrapping

Scott's Meats (Perris, CA) 951-657-9244

Once the livestock is harvested they will be transported to Scott's Meats. Buyers will be contacted or they may contact Scott's to provide information for cutting and wrapping. When the buyer picks up the finished product they will pay Scott's Meats for their services. Below are the current prices

All species - \$1.20 per lbs for cutting and wrapping

Smoking - \$1.50 per lbs for the weight of items to be smoked

Links - \$1.25 per lbs

Patties - \$1.25 per lbs
