LOOPING POLICY

Purpose

Entheos Academy board supports the development looping programs to improve teacher-student relations, facilitate stronger partnerships with parents and improve student academic performance and character development.

Definitions

Looping is defined as a classroom of students maintaining the same teacher and cohort when advancing from one grade to the next.

Policy

School directors shall maintain a looping program in accordance with the Entheos Academy charter for individual campuses. Teachers may loop for grades 1-2 and 4-5. Grades 3 and 6 will spend one year with their students.

Discontinuance of looping programs at either school requires board approval and review of charter fidelity.
