

2020-2021 Student Supply List K-8

Below is the list of items that are strongly suggested **to start** the 2020-2021 school year. To discourage sharing of germs, we are strongly encouraging each student to have their own individual supplies. Please clearly label student items with your child's name. If you are unable to access these supplies, please let your student's teacher know. It is also very helpful for your student to have a backpack to transport supplies, classwork, and other items throughout the year.
