Discussion on last year's goals.

Last year goals

Goal 1- improve math scores. Looking at the covid and Learning models. Where were we, where are we now and where are we going.

Goal 2- all day kindergarten- KEEP assessment beginning and end of year. Looking at that data so we know what to do in the future.

Discussion on this years goals

2021-2022
PLC has been best for teachers

Goal 1- increase acadience and rise scores back to pre covid scores.

Kinder is the only grade that uses KEEP.

Action plan- minimum of 4 trainings to help teach differentiated instruction.

Goal 2- students 3-5 pre covid testing la, math and science.

Upgrade audio enhancement systems since that has shown to help the scores.

Pacing of covid has slowed curriculum. Looking at the curriculum and planning out to help them get back to pace.

Goal student 60% of 1-3rd at ela will regain pre covid performance standard.

Will look at data.

Grade level teams analyze student data.

Replace aging out technology.

A ton of research has gone into it. Providing the tools the kids and teachers need will benefit everyone.

Landtrust committee approves the plan
Jenn Lund motioned to approve the plan
Andrea Johnson second the plan
Voting was unanimous
