NOW HIRING LICENSED VOCATIONAL NURSES!

\$4,000 Signing Bonus

Pay \$33.50-35.50/hr.

Working as an LVN at Mountain Shadows is not like most other nursing jobs! Unlike many skilled nursing or long-term care facilities, we believe in assigning a manageable caseload which allows the LVN to provide individualized healthcare services in a comfortable, loving environment. You will be allowed the time to give each person the attention they deserve.

LVN duties include monitoring the health status of the residents, administering medications orally and via G-Tube, administering breathing treatments and G-Tube feedings, providing personal care and providing interaction and socialization opportunities for our residents.

Safety is a priority at Mountain Shadows. We are currently keeping our residents and employees safe by providing extensive COVID-19 awareness training, personal protective equipment and implementing extensive disinfecting procedures on all shifts.

Enrich the lives of individuals with intellectual disabilities by embracing our company's philosophy of "Because I Care". New Grads are welcome! We will help you develop your nursing skills.

Great Reasons to

work at Mountain Shadows:

- Medical, dental and vision insurance for full-time employees
- Paid sick leave and vacation
- 401k retirement plan with employer match
- AFLAC voluntary plans such as disability, accident, cancer and life insurance
- Retention and referral bonuses
- Employee discount programs
