

POLICY TITLE: DROPOUT RECOVERY

Policy Type: Executive Limitations

Legal Citation: R277-606, Dropout Prevention and Recovery Program

The School requires eligible student dropouts to be enrolled in a dropout recovery program.

Accordingly, the School Director shall not:

1. Fail to develop a written policy that describes
2. How the School or the School's third party provider will measure and report adequate monthly progress;
3. How membership days in the dropout recovery program will be determined for the eligible student's progress in accordance with the School's established school schedule and enrollment policies; and

4. Fail to indicate that the student is enrolling in the School's dropout recovery program in accordance with current UTREx specifications.
