

Emergency Reunification Plan

Itineris Early College High School has in place a comprehensive **Emergency Plan** put together with assistance from the West Jordan Fire and Police Departments. For the safety of students, this plan is not published to the website. The part of the plan most affecting parents is found below:

Emergency Reunification Plan (Reuniting parents with students in the event of an off-site evacuation)

The off-site evacuation location for Itineris Early College High School is the LDS Institute Building (3431 W Wights Fort Rd, West Jordan, UT 84088) located on the Jordan Campus of Salt Lake Community College.

The Institute Building can be accessed via 1 of 2 routes:

1. **From 9000 South:** go south on Wights Fort Road (3400 West) approximately 100 yards, veer left when the road forks. Go another 200 yards and the Institute Building will be on the east side of the circle.
2. **From 9800 South:** go north on 3400 West approximately ½ mile and the road will dead end at the back parking lot of the Institute Building. There is a turnaround at the dead end.

To reunite with your student, locate an Itineris staff member in an orange vest (these staff members should be found out front on the east and west sides of the Institute Building). Show your picture ID to the staff member and let them know which student you are requesting to pick up. They will write down your personal information and then notify a staff member inside the Institute Building to send out your student to the proper reunification location. The student's name will be recorded next to yours along with the time.
