

Early Light Academy Student Transportation Policy

PURPOSE

The purpose of this policy is to address how student transportation is handled at Early Light Academy (the “School”). It is also to establish rules and requirements related to student transportation to help ensure student safety.

The School intends for this policy to satisfy the policy requirements of Utah Administrative Code Rule R277-601.

POLICY

No School Buses

The state does not provide the School (or any other Utah charter school) with any state transportation funding. As a result of this, and as a result of having a student population that often resides throughout multiple cities and/or counties in the state, the School does not own or operate school buses and does not provide transportation for students to or from School, except where required by law. Parents or guardians are responsible for the transportation of their students to and from the School each day.

Student Transportation for School Activities

The School may provide transportation for students in charter buses or through public transportation in connection with field trips, extracurricular activities, or other School-sponsored activities. Any charter bus company selected by the School to transport students shall meet or exceed industry safety requirements and provide reliable and professional transportation services.

The School may, but is not required to provide student transportation for School activities through private or rental vehicles driven by School employees or volunteers who have been approved by the School’s Executive Director. The School’s Executive Director shall establish the necessary qualifications for such drivers and other requirements that must be met prior to using private or rental vehicles to transport students.

The School shall inform parents and guardians when it intends to provide student transportation in connection with School activities and shall give parents the opportunity to consent to such transportation. A student’s parent or guardian must provide consent in order for their student to be transported to and/or from School activities as described in this section.

Charter bus operators and, to the extent practicable, other vehicle drivers approved by the School to transport students to and/or from School activities, shall adhere to the applicable standards in R277-601-3. The School shall enforce the applicable standards as required by the rule.
