

# Summer Reading

Hello summer reading participants! To keep up your reading skills this summer, please read at least 10 books! This will help you get ready for **1-3rd Grade**. On the other side of this page, you will find a list of suggested books. You are not required to read the books listed, but are welcome to refer to the list for age-appropriate classics.

**Every student that reads 10 books, and returns their reading log, will be invited to a special party in the library in September. Parents must initial beside titles of books read. Reading logs will be due by August 25th, no exceptions!**

Please use the included reading log to record the books you have read. The BINGO game in this packet is just for fun. However, if you are able to black out the entire card, you will get an additional prize at the "Summer Reading Party."

For additional recommendations of books for your grade/reading level, please visit our website, [gfautah.org](http://gfautah.org). We have lists for each grade level. At GFA, we love classic literature and have chosen some of the best to include on our grade-level list.
