11th Grade Course Registration Guide 2022-2023

Students must be enrolled in a *minimum* of seven courses per term/semester. This includes your Davis Technical College Program and Learning Strategies course. As an 11th grade student, **you are required to participate in a Davis Technical College program**. Please follow the instructions below to aid in making your course selections. You may also refer to your transcript/credit evaluation for additional help.

Selection 1: English (4 credits required for graduation)

All 11th grade students are required to enroll in English for the full school year.

[Please select: English 11 or English 11 Honors](#)

Selection 2: Mathematics (3 credits required for graduation)

Per the state of Utah, all students are required to complete Secondary Math III.

However, a student may choose to enroll in an applied math course. In order to do so, it must be consistent with their College and Career Readiness plan (CCR) and parent/guardian permission must be granted through completion of a Secondary Math III OptOut form.

[Please select: Secondary Math III or Math of Personal Finance](#)

Selection 3: Science (3 credits required for graduation)

Students must earn a minimum of 2.0 credits from foundational science course options, but may complete the remaining 1.0 credit from a foundational or applied option.

[Please select: Chemistry or Astronomy and Meteorology](#)

Selection 4: History (3 credits required for graduation)

US History is required for graduation.

Selection 5: Other

All students will take a term of 21st Century Learning (.25 credit). If Juniors aren't ready to start their program at the beginning of the year, they will do College and Career Awareness (.5) If any students are still missing credits from classes that normally would be taken Freshman or Sophomore year, this is the year to add it.

Selection 6: Credit Recovery

Any classes that have been failed and need to have credit recovered should be added at this time.

Davis Technical College

The remainder of your course selection/class periods will be filled from participation in your Davis Technical College Program.

Goal for graduation is 24 credits and DTC Program Completion
