

Student Name: _____ **Grade:** _____

Syracuse Arts Academy
Student Chromebook Use Agreement **2023-2024 Academic School**
Year

This agreement is between Syracuse Arts Academy (hereinafter referred to as "the School") and the student named above (hereinafter referred to as "the Student") for the use of a Chromebook during the academic year 2023-2024.

1. Chromebook Usage and Responsibility:

- 1.1 The School agrees to provide the Student with a Chromebook for educational purposes during the time the student is enrolled at the School.
- 1.2 The Student agrees to use the provided Chromebook responsibly and solely for educational purposes as directed by the School's policies and guidelines.
- 1.3 The Student will be responsible for taking good care of the Chromebook and safeguarding it against any potential damage, loss, or theft.
 - a. Damage to the Chromebook includes but is not limited to:
 - i. Damage to or removal of the Asset Tag or other manufacturing stickers, Screen Damage, Keyboard Damage, etc.

2. Chromebook Repair and Replacement Costs:

- 2.1 In the event the Chromebook is damaged, lost, or stolen, the Student shall be responsible for paying the applicable repair or replacement costs as outlined below:
- 2.2 The Student will be responsible for the cost of parts to repair the Chromebook if the Chromebook is damaged, but repairable.
- 2.3 If the Chromebook requires replacement during the first year (2023-2024) the cost will be \$270.
- 2.4 If the Chromebook requires replacement during the second year: (2024-2025) the cost will be \$180.
- 2.5 If the Chromebook requires replacement during the third year: (2025-2026) the cost will be \$90.
- 2.6 The replacement cost covers the purchase of a new Chromebook with similar specifications to the one initially provided to the Student by the School.

3. Chromebook Power Cord/Charger Replacement Costs:

- 3.1 If the power cord/charger provided with the Chromebook is lost, damaged, or rendered inoperable, the Student will be responsible for paying a replacement cost of \$60.
- 3.2 The replacement cost for the power cord/charger covers the cost of a new power cord/charger suitable for the provided Chromebook.

4. Exclusions:

- 4.1 The School will not charge any additional labor costs for the repair or replacement of the Chromebook or charger.
- 4.2 The School will not be responsible for any data, files, or personal information that may be lost or damaged as a result of the Chromebook replacement or repair.

5. Agreement Duration and Termination:

- 5.1 This agreement shall remain in effect for the duration of the Student's enrollment at the School, or until the Student returns the Chromebook to the School in good working condition.
- 5.2 The School reserves the right to terminate this agreement and reclaim the Chromebook if the Student breaches any of the terms outlined herein.

By signing below, the Student and parent acknowledge that they have read, understood, and agreed to the terms and conditions of this agreement, including the Chromebook damage, repair and/or replacement costs.
