

SAFE ROUTES TO SCHOOL

School Overview

Early Light Academy is located at 11709 South Vadiana Drive in South Jordan. The campus serves approximately 1019 students in grades K-9.

Early Light Academy does not provide student busing transportation. Most students arrive and depart via guardian vehicles and daycare busses/vans. All stakeholders are asked to follow the school's established carpool procedures to ensure student safety and to maintain an efficient and orderly flow of traffic.

Many students will walk or ride their bikes to and from school. Guardians and students who walk or bike to and from school should follow the safest routes possible, using sidewalks and crosswalks while obeying all traffic lights, laws, signs, and signals. Guardians are encouraged to travel the routes with their children to determine that safest route possible. Guardians who choose to allow their students to walk or bike to and from school will assume responsibility for all risks involved.

Travel Routes

From the Northeast

Students traveling from the northeast should travel southwest on Topcrest Drive to Grandville Avenue heading southeast. Then travel southwest on Blackbird Lane, turning north on Alexandria Drive, until reaching Digory Drive. Once on Digory Drive continue for two blocks until reaching Early Light Academy.

From the East

Students traveling from the east should travel west on Firmont Drive to Grandville Avenue. Then travel to Currant Drive, turning north on Alexandria Drive, until reaching Digory Drive. Once on Digory Drive continue for two blocks until reaching Early Light Academy.

From the South

Students traveling from the south should travel northeast on Currant Drive and turn north on Alexandria Drive, until reaching Digory Drive. Once on Digory Drive continue for two blocks until reaching Early Light Academy.

It is not recommended that students west of the Mountain View Corridor walk or bike to school.

These routes are for the immediate area around Early Light Academy. Please contact the school for additional information regarding safe traveling routes.

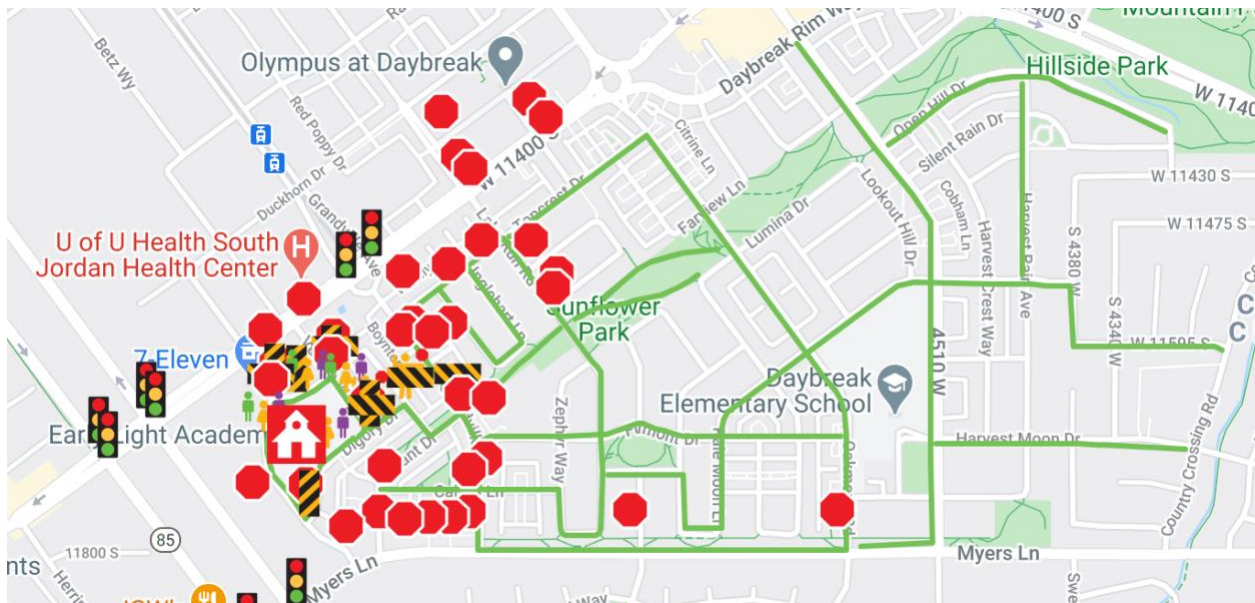

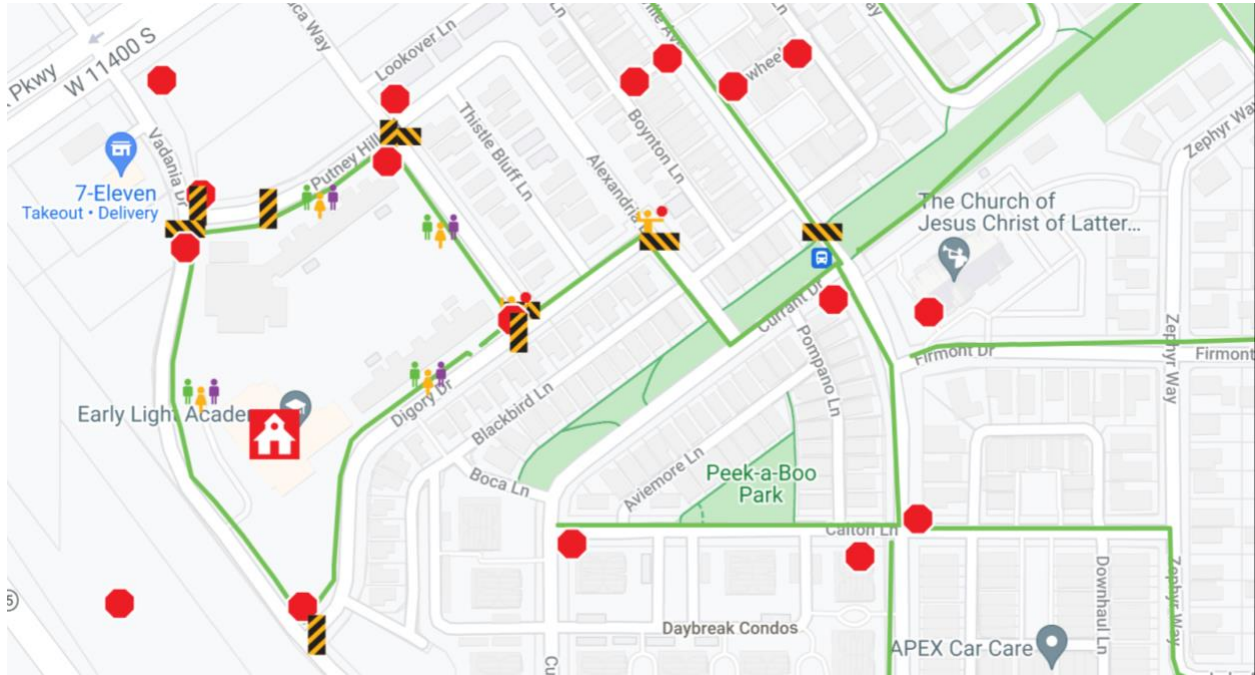

Area Improvement Recommendations

The following considerations are proposed as area improvements to improve student safety. However, the school does not oversee area improvements as they are at the discretion of local government agencies.

- Install traffic calming measures on Vadiana Drive in front of the school.
- Provide crossing guards, flags, and flashing lights on crosswalks located at Putney Hill Road and Vadiana Drive, Digory Drive and Vadiana Drive, Digory Drive, Digory Drive and Veruca Way, Putney Hill Road, and Veruca Way and Putney Hill Road.
- As the area north of the school is developed, area infrastructure should be considered.
