5401 BULLYING AND HAZING POLICY

Purpose

Entheos Academy commits to providing a school climate that is free of harassment and discrimination.

The purpose of this policy is to prohibit bullying, cyber-bullying, hazing, and intimidation of Entheos Academy (the “School”) students and employees, as well as abusive conduct directed toward School employees.

The School’s Board of Directors (the “Board”) has determined that a safe, civil environment in School is necessary for students to learn and achieve high academic standards and that conduct constituting bullying, cyber-bullying, hazing, abusive conduct, and intimidation disrupts both a student’s ability to learn and the School’s ability to educate its students in a safe environment. Bullying, cyber-bullying, and hazing of students and employees are against federal, state, and local policy and are not tolerated by the school. The School is committed to providing all students with a safe and civil environment in which all members of the School community are treated with dignity and respect. To that end, the School has in place policies, procedures, and practices that are designed to reduce and eliminate bullying, cyber-bullying, abusive conduct, and hazing, including but not limited to civil rights violations, as well as processes and procedures to deal with such incidents. Bullying, cyber-bullying, hazing, and intimidation of students and/or employees by students and/or employees will not be tolerated in the School. Likewise, the school prohibits abusive conduct by students or parents against School employees. In order to promote a safe, civil learning environment, the School prohibits all forms of bullying of students and School employees

1. on School property,
2. at a School-related or sponsored event, or
3. while the student or School employee is traveling to or from School property or a School-related or sponsored event.

The School prohibits all forms of hazing, bullying, or cyber-bullying of or retaliation against students and School employees at any time and any location.

Students and School employees are prohibited from retaliating against any student, School employee, or an investigator for, or witness of, an alleged incident of bullying, cyber-bullying,
