**Accepted Minutes from September 25, 2020:**

Kristen accepted minutes. Tammy Todd Seconded. All voted in favor.

**2020-2021 LAND Trust School Plan:**

Discussed moving Goal 5 which has Expenditures totaling \$7,814.00 for Field Trip destinations or transportation and moving that funding to Goal 1 to assist with improving early literacy skills in our Kindergarten through Grade 3 students (Early Literacy Program). This would allow us to hire more Aids to assist children in this program. Everyone agreed that the money would be beneficial here but we did not do an official vote on this.

Meeting closed at 5:29 PM. (Michelle made a motion to close the meeting, Kristen seconded it.)

**Next Meeting:** March 10, 2021 at Good Foundations Academy.
