Las consejeras pueden ayudar con:

❖ **Apoyo personal/social:**

Presión de grupo, acoso, autoestima, organización, estrés, establecimiento de objetivos/metás.

❖ **Apoyo académico:**

Responder preguntas de calificaciones, establecer metas para mejorar calificaciones, requisitos de graduación, y crear un plan de cuatro años.

❖ **Apoyo universitario/profesional:**

Adónde voy ahora? Exploración profesional, ayudar a comprender cómo su desempeño académico se conecta con futuras oportunidades.

Requisitos de A-G y graduación

- ❖ 230 créditos
- ❖ 40 horas de servicio comunitario
- ❖ Además de A-G, 2 años de educación física

You can go to college

A-G REQUIREMENTS

The University of California (UC) and California State University (CSU) systems require that students complete at least 15 courses in the areas listed below to be considered for admissions. Courses must be completed with a grade of "C" or better. Additional coursework beyond the minimum requirements is strongly recommended.

*Any courses taken in excess of the minimum required in any subject area may count toward the fulfillment of the College Preparatory Elective requirement.

AP CAPSTONE

QUICK GUIDE

AP Capstone is an innovative diploma program that provides students with an opportunity to engage in rigorous scholarly practice of the core academic skills necessary for successful college completion.

AP Capstone is built on the foundation of two courses — AP Seminar and AP Research — and is designed to complement and enhance the in-depth, discipline-specific study provided through AP courses. It cultivates curious, independent, and collaborative scholars and prepares them to make logical, evidence-based decisions.

AP Seminar

AP Seminar is a foundational course that engages students in cross-curricular conversations that explore the complexities of academic and real-world topics and issues by analyzing divergent perspectives.

AP Research

AP Research allows students to deeply explore an academic topic, problem, or issue of individual interest. Through this exploration, students design, plan, and conduct a year-long research based investigation to address a research question.
