

December 18, 2020

Dear GFA Families,

It is hard to believe that the holidays are right around the corner and the end of the 2nd quarter is upon us! We want to wish all of you, our students and families, a safe, happy, and healthy holiday season.

As we conclude 2020, and break for the winter holiday, I want to take a moment to express my heartfelt gratitude to all who help make Good Foundations Academy an amazing place to be. Although it has been a very challenging year, we also have had many bright spots! Every day, I marvel at the incredible devotion of our staff and their unique ability to teach and inspire our children. Every day, I celebrate the amazing support of our parents and school community. Every day, I am delighted with our students that are always ready to learn and to meet the challenges of a rigorous academic environment. They provide us all a daily reminder of what is important and why we are here.

In the spirit of this holiday season, I want to extend my sincere thanks to all of you for everything that you do for our school community! I wish you all peace, joy, hope and happiness during this Holiday season and throughout the New Year.

Please take note of the following dates coming in January 2021.

January 6, 2021: Distance Learning applications due. Students that are currently enrolled in our distance learning program, and would like to continue learning remotely, will need to complete a new application. Students that are currently learning in-class and wish to remain on campus do NOT need to take any action.

January 8, 2021: End of 2nd Quarter. All 2nd quarter assignments should be completed and turned in for grading.

January 15, 2021: Professional Development (No School)

January 18, 2021: Martin Luther King Day (No School)

January 25th -29th: Parent-Teacher Conferences. Parent-Teacher Conference is an important opportunity for teachers to hear from you about how you feel your student is doing academically, socially, and emotionally. The PTC is also an opportunity for educators to provide you with feedback about your child's academic and social-emotional progress in the school setting and what you can do to support your child at home. If your is child having trouble, you and your child's teacher should develop an action plan. Please be watching for information on how to sign-up for conferences.

We look forward to seeing everyone in the New Year!

Best Regards,

Lisa Erwin
Executive Director
Good Foundations Academy
